Jules Verne Elementary School

Information:

Leadership lesson 1: You are responsible for your own action. You will get your information 2 ways. Online and in the office.

Leadership lesson 2: Presents is power. The position of power is not authority it is how a leader presents themselves to enable others to follow to be successful.

If you have more notes, add them to the intelligence center.

THE PLAN FOR BREAKFAST WITH SANTA

- At 9:05, meet Mr. Johnson in the gym.
- We will make sure that everything is set, that the popcorn is ready, that the teacher's breakfast is ready and more. If there are any problems.
- Mr. Johnson will be in superman pajamas and he will help you.
- You should role models.
- Model the way students should be.
- Be in the position of power to make sure that the little kids are not screaming and yelling and that they are contained.
- Talk to the teacher to make sure that they are ready and that they are ready to go to the gym.
- Once your class is in the gym, you can eat and have fun.
- Eat close to last but not last so that we could help clean up.
- If you are finished your task, come see Mr. Johnson and he will put you at another spot.
- 1 thing that you are expected is to help the class, don't take charge of them. That is the teacher's job. Just lead them to the gym.

IN JANUARY 2018

After the break, we will be going to Laval Junior on January 23rd. For the **ADVANCED STUDENT LEADERSHIP SUMMIT**. There will be a band and guest speakers. There will also be an opportunity to talk about the tree.

HAPPY HOLIDAYS!!!
