INTRODUCTION

Standards and procedures for the evaluation of learning at Jules Verne were proposed by a committee of teachers and approved by the school principal. Their aim is to define concrete actions in an effort to ensure that evaluation practices are consistent with the vision of evaluation adopted in the Quebec Education Program. The discussions surrounding the development of these standards* and procedures** also led to a harmonization of evaluation practices in an effort to ensure consistency throughout the school.

1. Planning of evaluation
2. Information gathering and interpretation
3. Judgment
