Home & School will be moving ahead with business as usual (as much as Covid-19 will allow) and we have already undertaken one of our most important fundraisers of the year, the Chocolate fundraiser.

At our first meeting, we will discuss this as well as work together to brainstorm more fundraising ideas that comply with current health protocols. We will also discuss upcoming events, recap the end of last year, and explore the possibility of new projects. Can't wait to see you on Zoom!

Lastly, we would like to take this opportunity to thank **the entire Jules Verne Family** for pulling together during the onset of the pandemic and the continued support we show for each other as we make our way through this extraordinary time.

**Graduation Committee:** Covid-19 greatly affected last year's graduation. Although it is unclear what the future holds, graduation committee will still meet and plan a "regular" graduation for the time being. Grad committee and Home & School have amalgamated and now work together as a single entity regarding fundraising for graduation. If you are interested in participating, please join the Home & School meeting this week for further details.
