Dear Jules Verne families,

My name is Irene Tsimiklis and I am thrilled to be joining the Jules Verne Community as your new principal! I am looking forward to getting to know your children and meeting you throughout the year.

I am a believer in the power of collaboration. Whether between Home & School, teacher to teacher or parent to parent, we all work better, accomplish more and feel more effective when we work together.

Also, I am an administrator who believes in an open door policy. Communication is the key to a successful educational experience. I encourage you to drop in or call me if you have any concerns or require our assistance. The staff and I would like to be proactive and resolve any issues that might interfere with any learning experience.

From what I have witnessed, The Jules Verne team is already working very hard to ensure that our students have a successful school year.

I look forward to a productive partnership with you to ensure that our children achieve their highest potential, as well as, strive toward excellence.

Yours in Education,

Irene Tsimiklis
Principal (interim)
