

June 30, 2020

Dear Parent(s)/Guardian(s),

Supply lists for the 2020-2021 school year for each grade level have been created and can be accessed by clicking on this link:

[Jules Verne 2020-2021 SCHOOL SUPPLIES LISTS](#)

Once you click on the link, please follow the next steps:

- Choose your child's grade level;
- Click on the print icon on the far left;
- A PDF version of the list will appear which you can print or keep as a reference.

Please note that in the future, the link will not be provided for you, instead it may be accessed through the Mozaik Parent Portal (same portal that parent's use to view report cards, statement of account). Therefore, if you happen to delete this email and no longer have access to the link you can simply see the lists on the portal by following these steps:

- Log into the Parent Portal
- Select your child
- Select Resources
- Go to General
- Select School
- Scroll down
- Select school Supply List
- Choose your child's grade level and follow the same procedures as listed above.

In addition, as you are aware, the Minister of Education is hoping for a full return to school in the new academic year. This return, as shared by the parent letter you received from MEES on June 19, includes an emphasis on "closed groups". Students will remain in their respective classrooms while teachers move from class to class.

Therefore, two pencil cases equipped with pencils, erasers, sharpeners, scissors, crayons, markers, etc. are no longer needed. One set is fine seeing your child will remain in one class. All other items should be purchased as requested. If you are hesitant about a specific item, please do not concern yourself with it. Simply do not purchase it. You will have an opportunity to speak to your child's teachers on Curriculum Night scheduled for September 3, 2020.

Kind regards,  
Tina Miscio
